Formal endorsement required for decisions taken at the Policy Committee Meeting held on 13th Dec 2011 as follows –
1/D/11/001726 – 20 PV solar PV panels in Edge Cliff, West Bay. The Application was fully discussed and a decision to object, as whilst generally supportive of the concept of renewable energy, this application cannot counter-balance the resulting damaging visual impact in the highly sensitive area of the World Heritage Coast, and an AONB. As currently conceived it is clearly observable from the coastal path. The impact could be considerably reduced or even removed with a condition to lower the PV array. Refused by WDDC 21/12/11
1/D/11/001787 – change of use Manor Farm, Symondsbury and..
1/D/11/001788 – Listed Building consent re above – No objections to either Application.
