These minutes will be ratified at our meeting in September 2018.

Those present: Cllrs B Driscoll, S Ralph, J Tinker, P Colfox, S Ainley, A Streatfeild (minute taker) and S Holmes. In attendance: 6 members of the public.

Democratic Half Hour:

Defibrillator – it was questioned as to how this was progressing, as local money had been raised. The Clerk was dealing with this, and it would be a priority on her return from holiday. Dog refuse bin – a request was made that this was moved from in front of the phone box door and the Lengthsman would be asked to do this when an appropriate site was found. Neighbourhood Plan Green Gaps policy – Symondsburry Estate wanted reconsideration of this – for discussion later in the meeting. Camper Van parking – vans were parking along Shutes Lane and stopping outside houses, emptying liquids onto the verges. The Clerk to investigate if any action can be taken. A van is also being parked apparently long term in the centre of the village – this to be investigated with the police.

Information from DCC, WDDC Councillors and Dorset Police: none present.

717 To receive and approve apologies for absence: Cllr Roddy and the Clerk on holiday

718 Declarations of Interest: Cllr Colfox in relation to BANP discussion.

719 To approve the Minutes of the meeting held on 10th July 2018: The minutes of the last meeting held on 10th July were approved and signed.

720 Chairman's Announcements: Cllr Driscoll welcomed everyone to the meeting and thanked the BANP Steering Group members who had met with councillors and 5 members of the public to explain the policies prior to the meeting.

721 Local Governance Review: the majority felt that it was sensible to remain in the rural Marshwood constituency, rather than be attached to the wider Bridport area. Cllrs Colfox and Streatfeild to meet to prepare wording for the submission which would be circulated to councillors.

722 Neighbourhood Plan Pre-submission Consultation. Councillors debated the Neighbourhood Plan document and Cllr Streatfeild undertook to record decisions and comments online. It was reiterated that the community should be very grateful to those who had produced this very comprehensive report.
